

Akira Gil Lamagna
Shopify Developer

Manila, Philippines
+639953557320
akiralamagna@gmail.com

Working with Shopify for more than 2 Years. I create, build, design and manage shopify stores.

I can also help you with custom Shopify pages and blogs. I can edit and upload product information like photos, title, etc. manually or using CSV. I also revise and edit templates and have full knowledge with different apps that can help your store. I can also be your Shopify guru if you have any questions about Shopify.

REBELX BIKER SHOP

rebelxbikershop.com

RebelX is an online Biker Shop in the Philippines that sells and distributes biker gears, bike accessories, parts, BG motorcycle performance maintenance products and custom made work for bike build projects.

ACL Suites

A business and tourist hotel

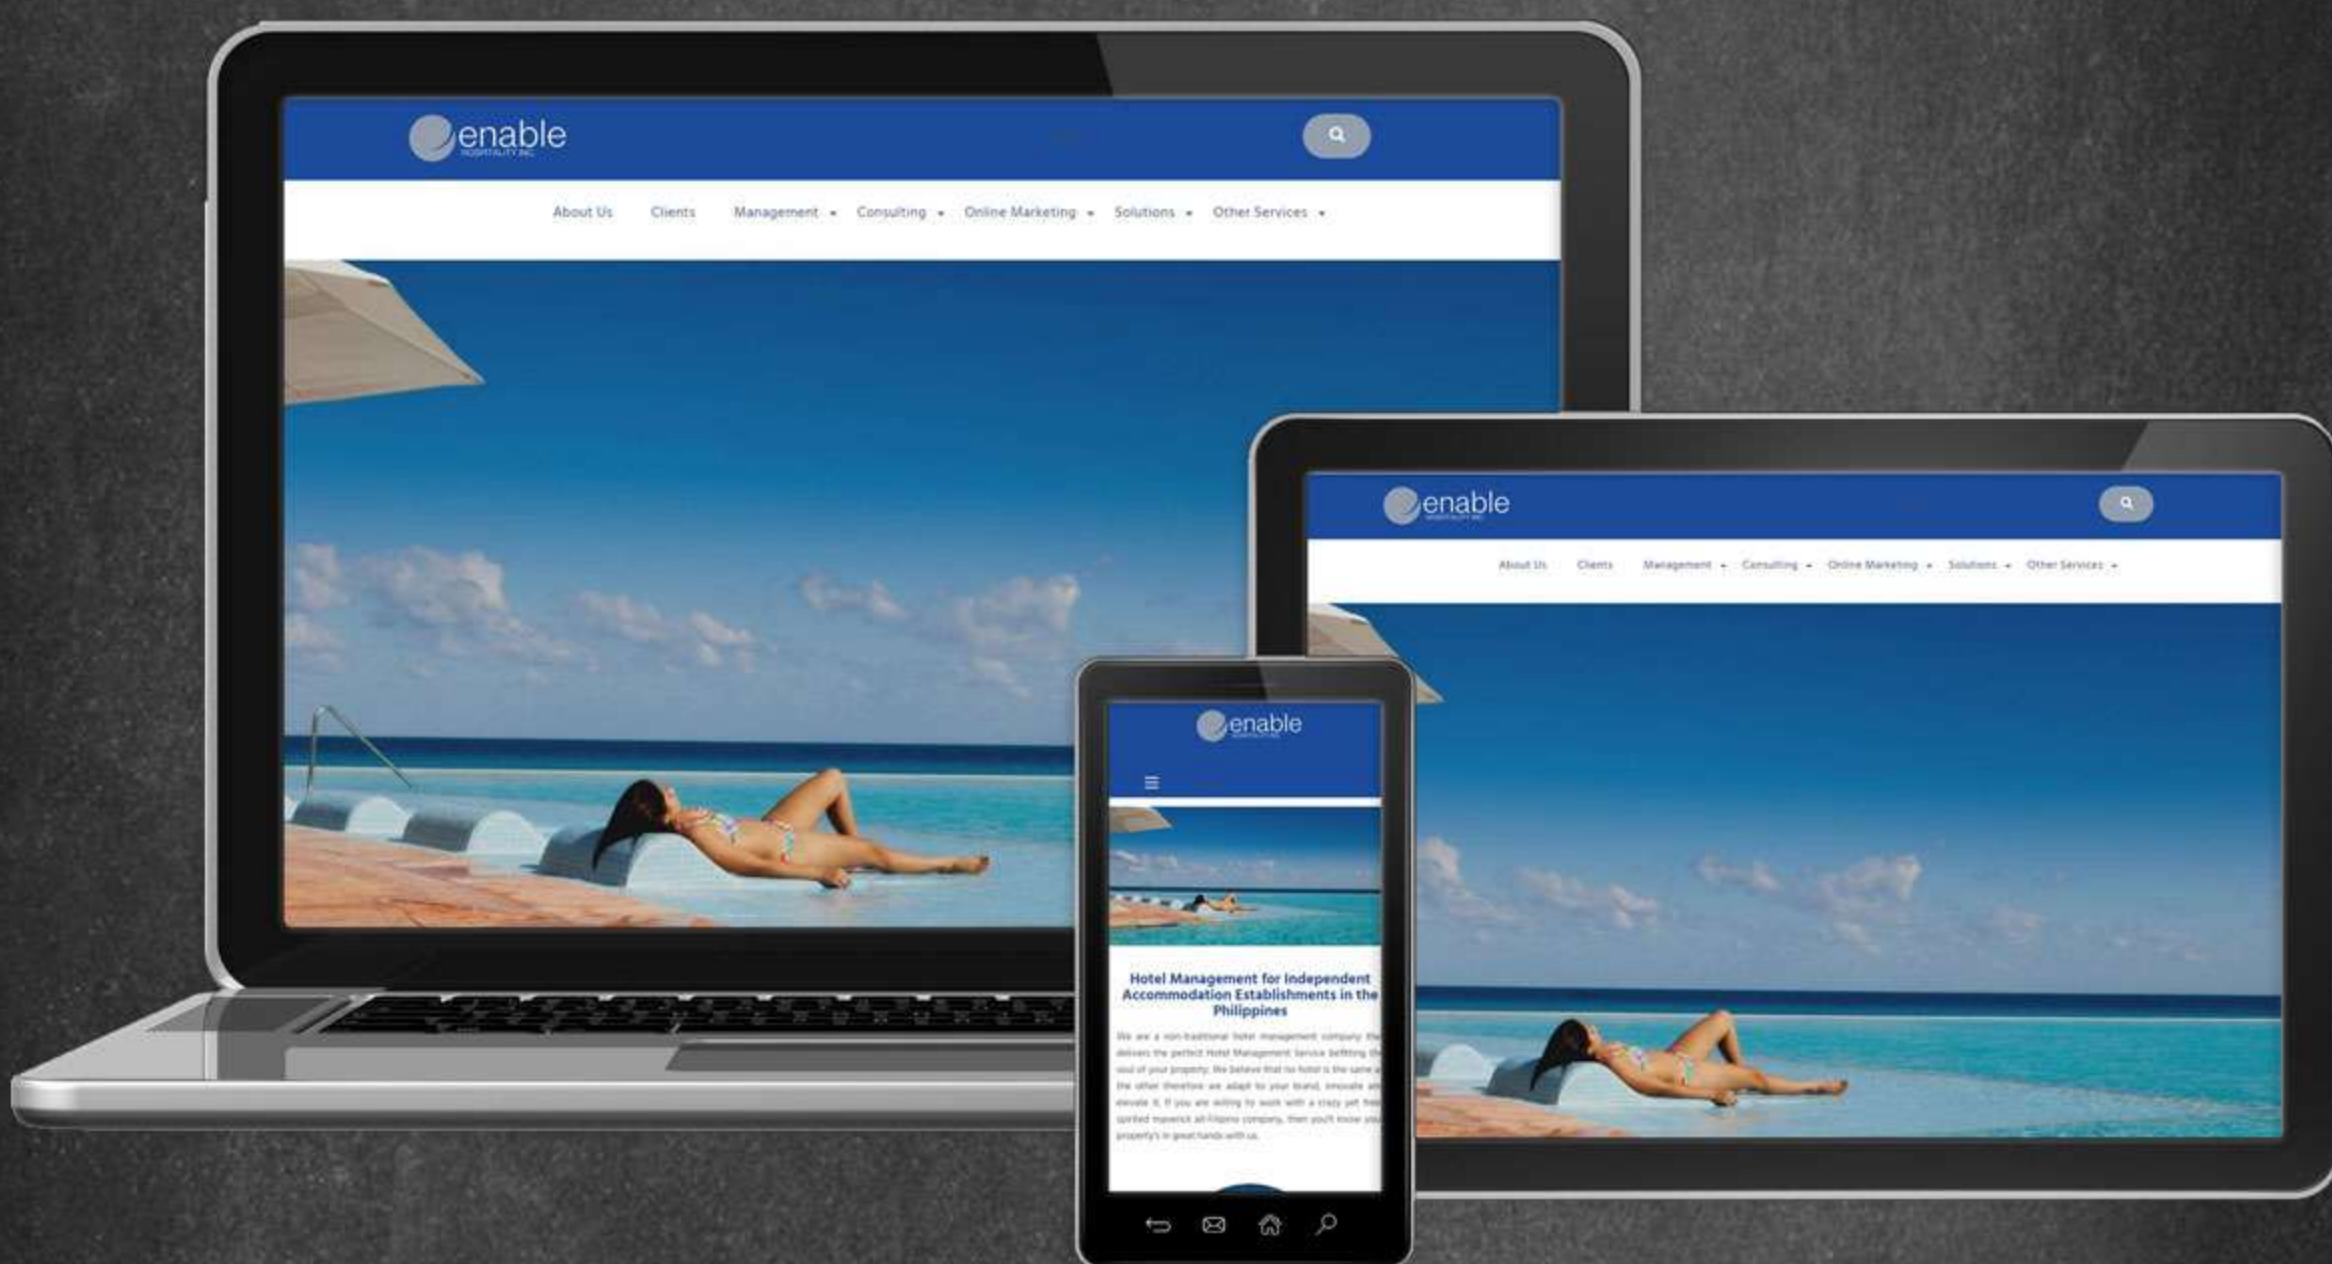

ACL SUITES
aclsuites.myshopify.com

Enjoy a most convenient stay right at ACL Suites in the heart of Quezon City. Here, guests can rest easy as everything they need — from corporate event venues to basic travel essentials — are well taken care of. Our hotel offers over 65 well-furnished rooms that not only feature a contemporary design but also come at very reasonable rates.

ENABLE HOSPITALITY INC.
enable.com.ph

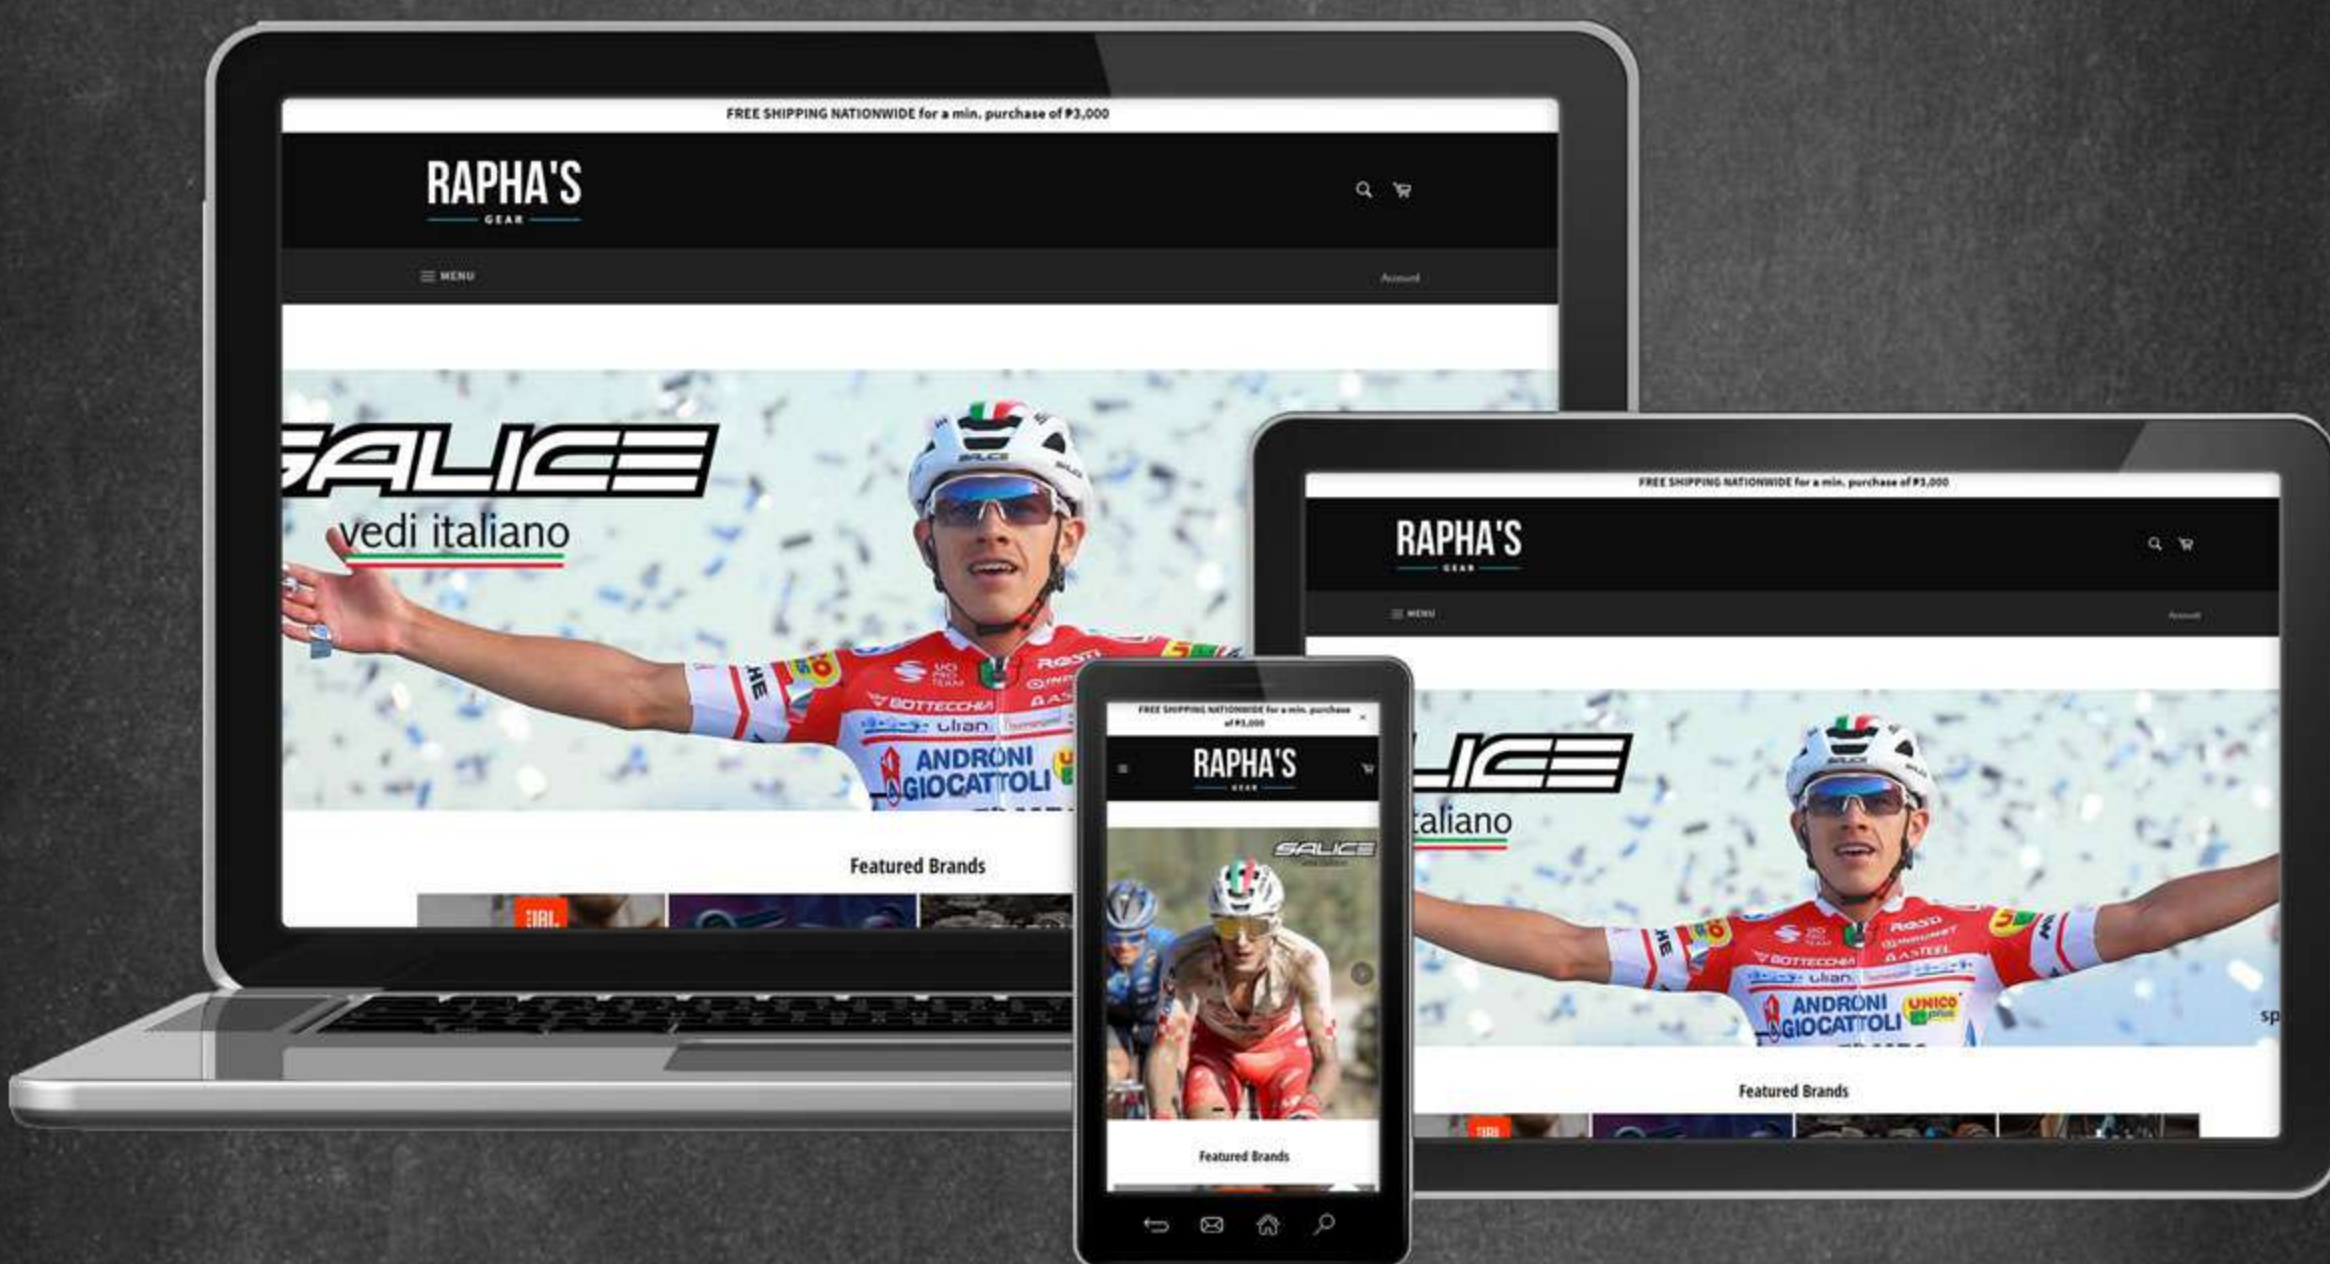

We are a non-traditional hotel management company that delivers the perfect Hotel Management Service befitting the soul of your property. We believe that no hotel is the same as the other therefore we adapt to your brand, innovate and elevate it. If you are willing to work with a crazy yet free-spirited maverick all-Filipino company, then you'll know your property's in great hands with us.

RAPHA'S

GEAR

RAPHA'S GEAR

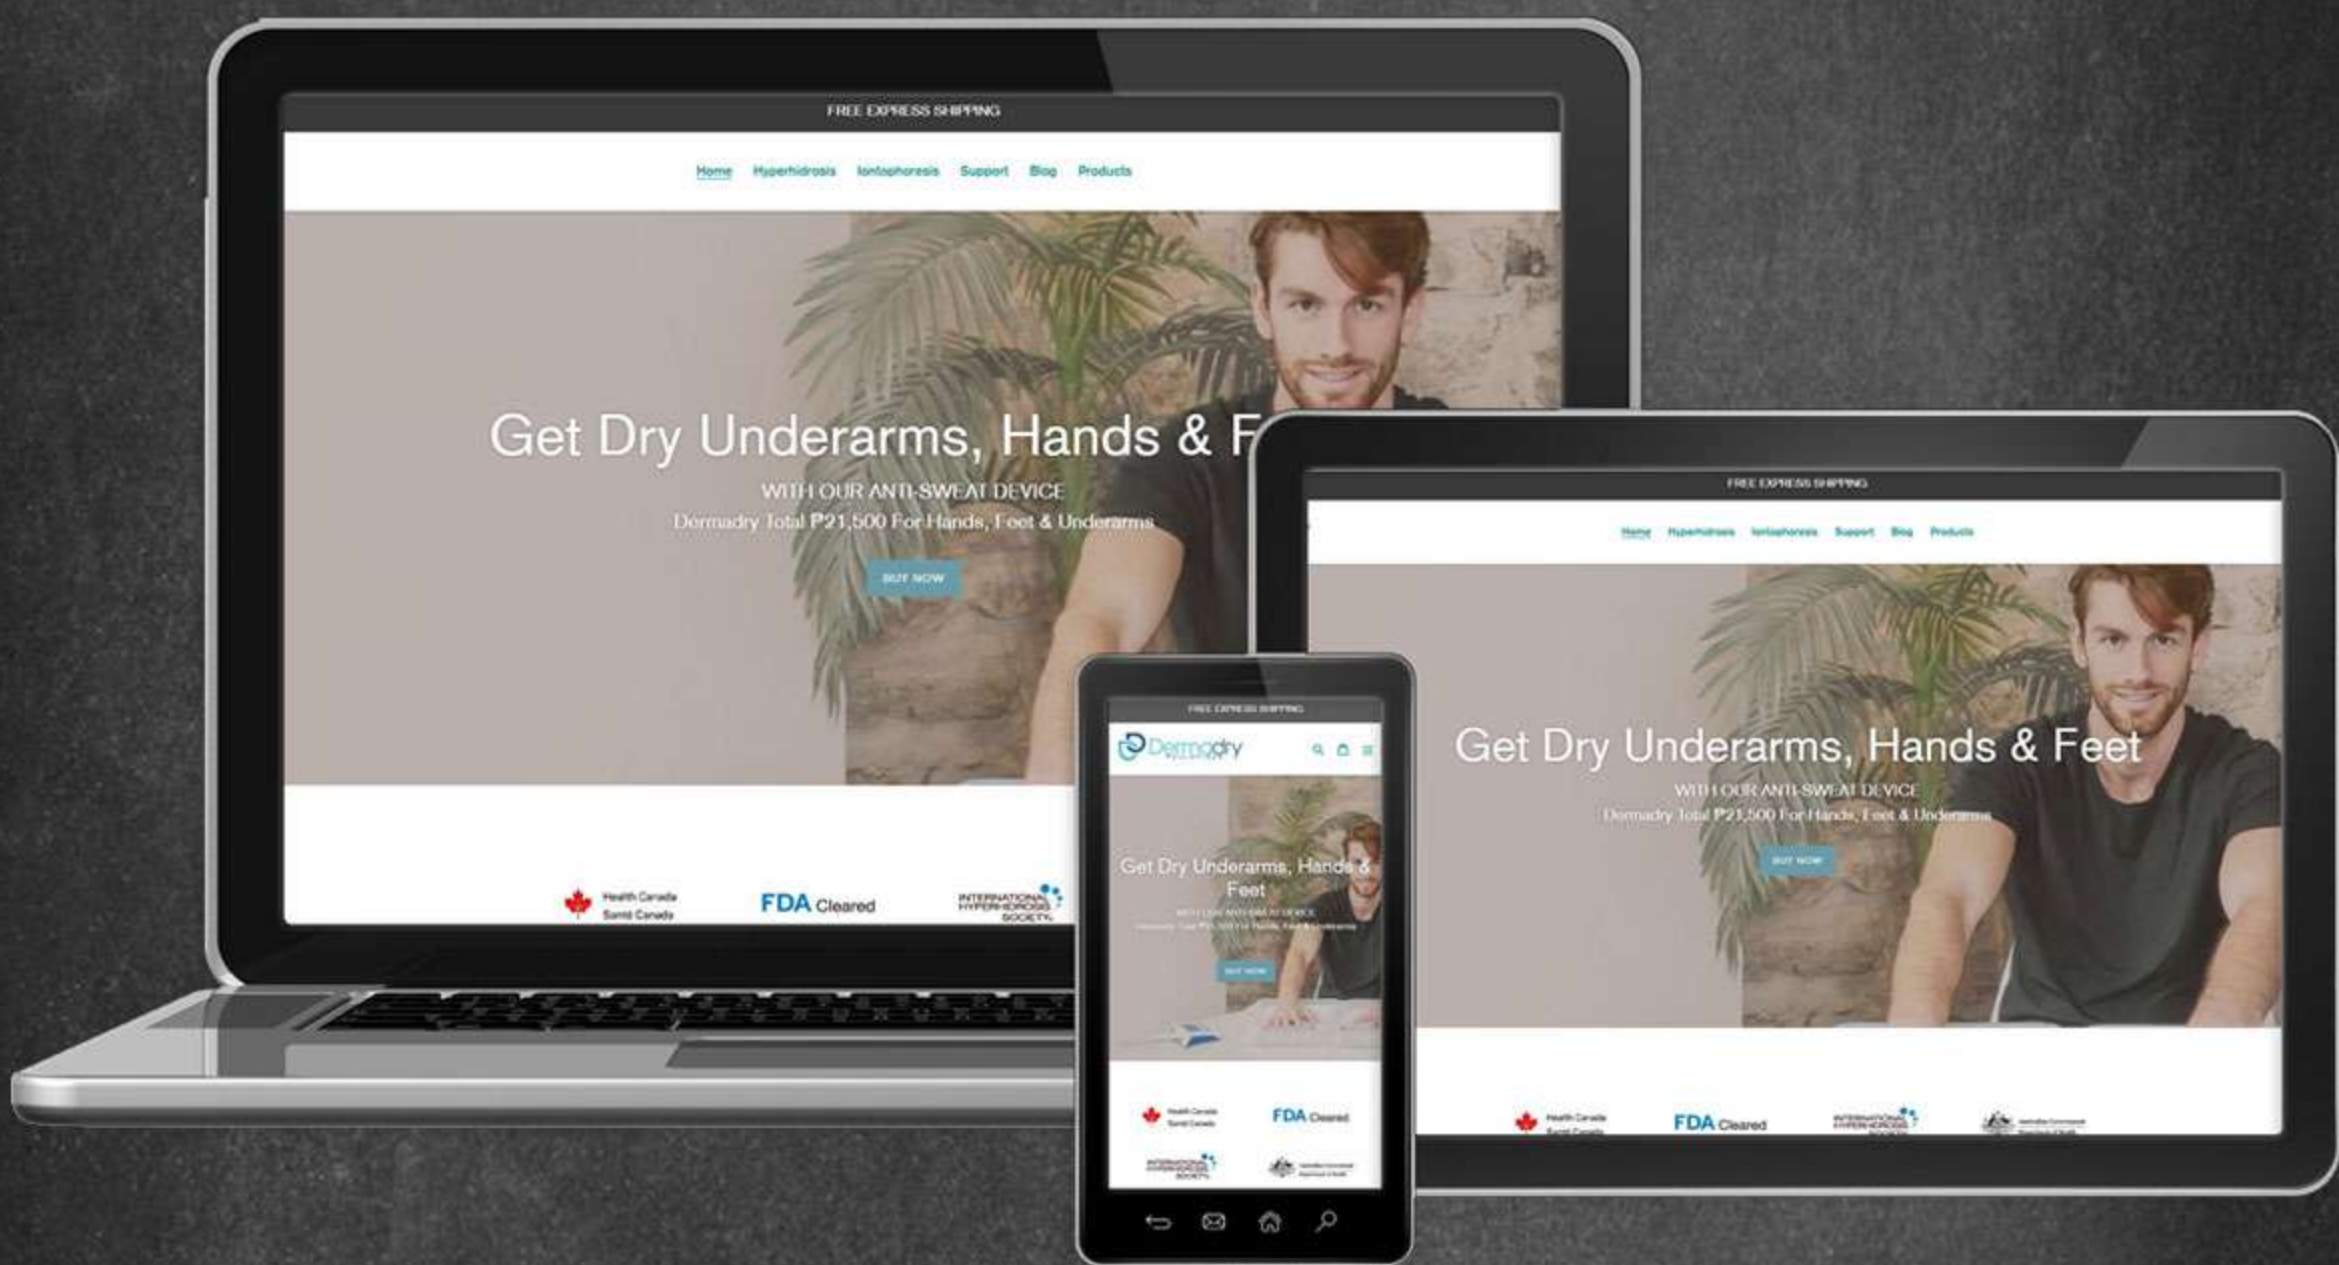

raphasgear.com

RAPHA'S GEAR makes it easy for you to find the best deals on multi-sport devices, accessories and gadgets that will complement your training.

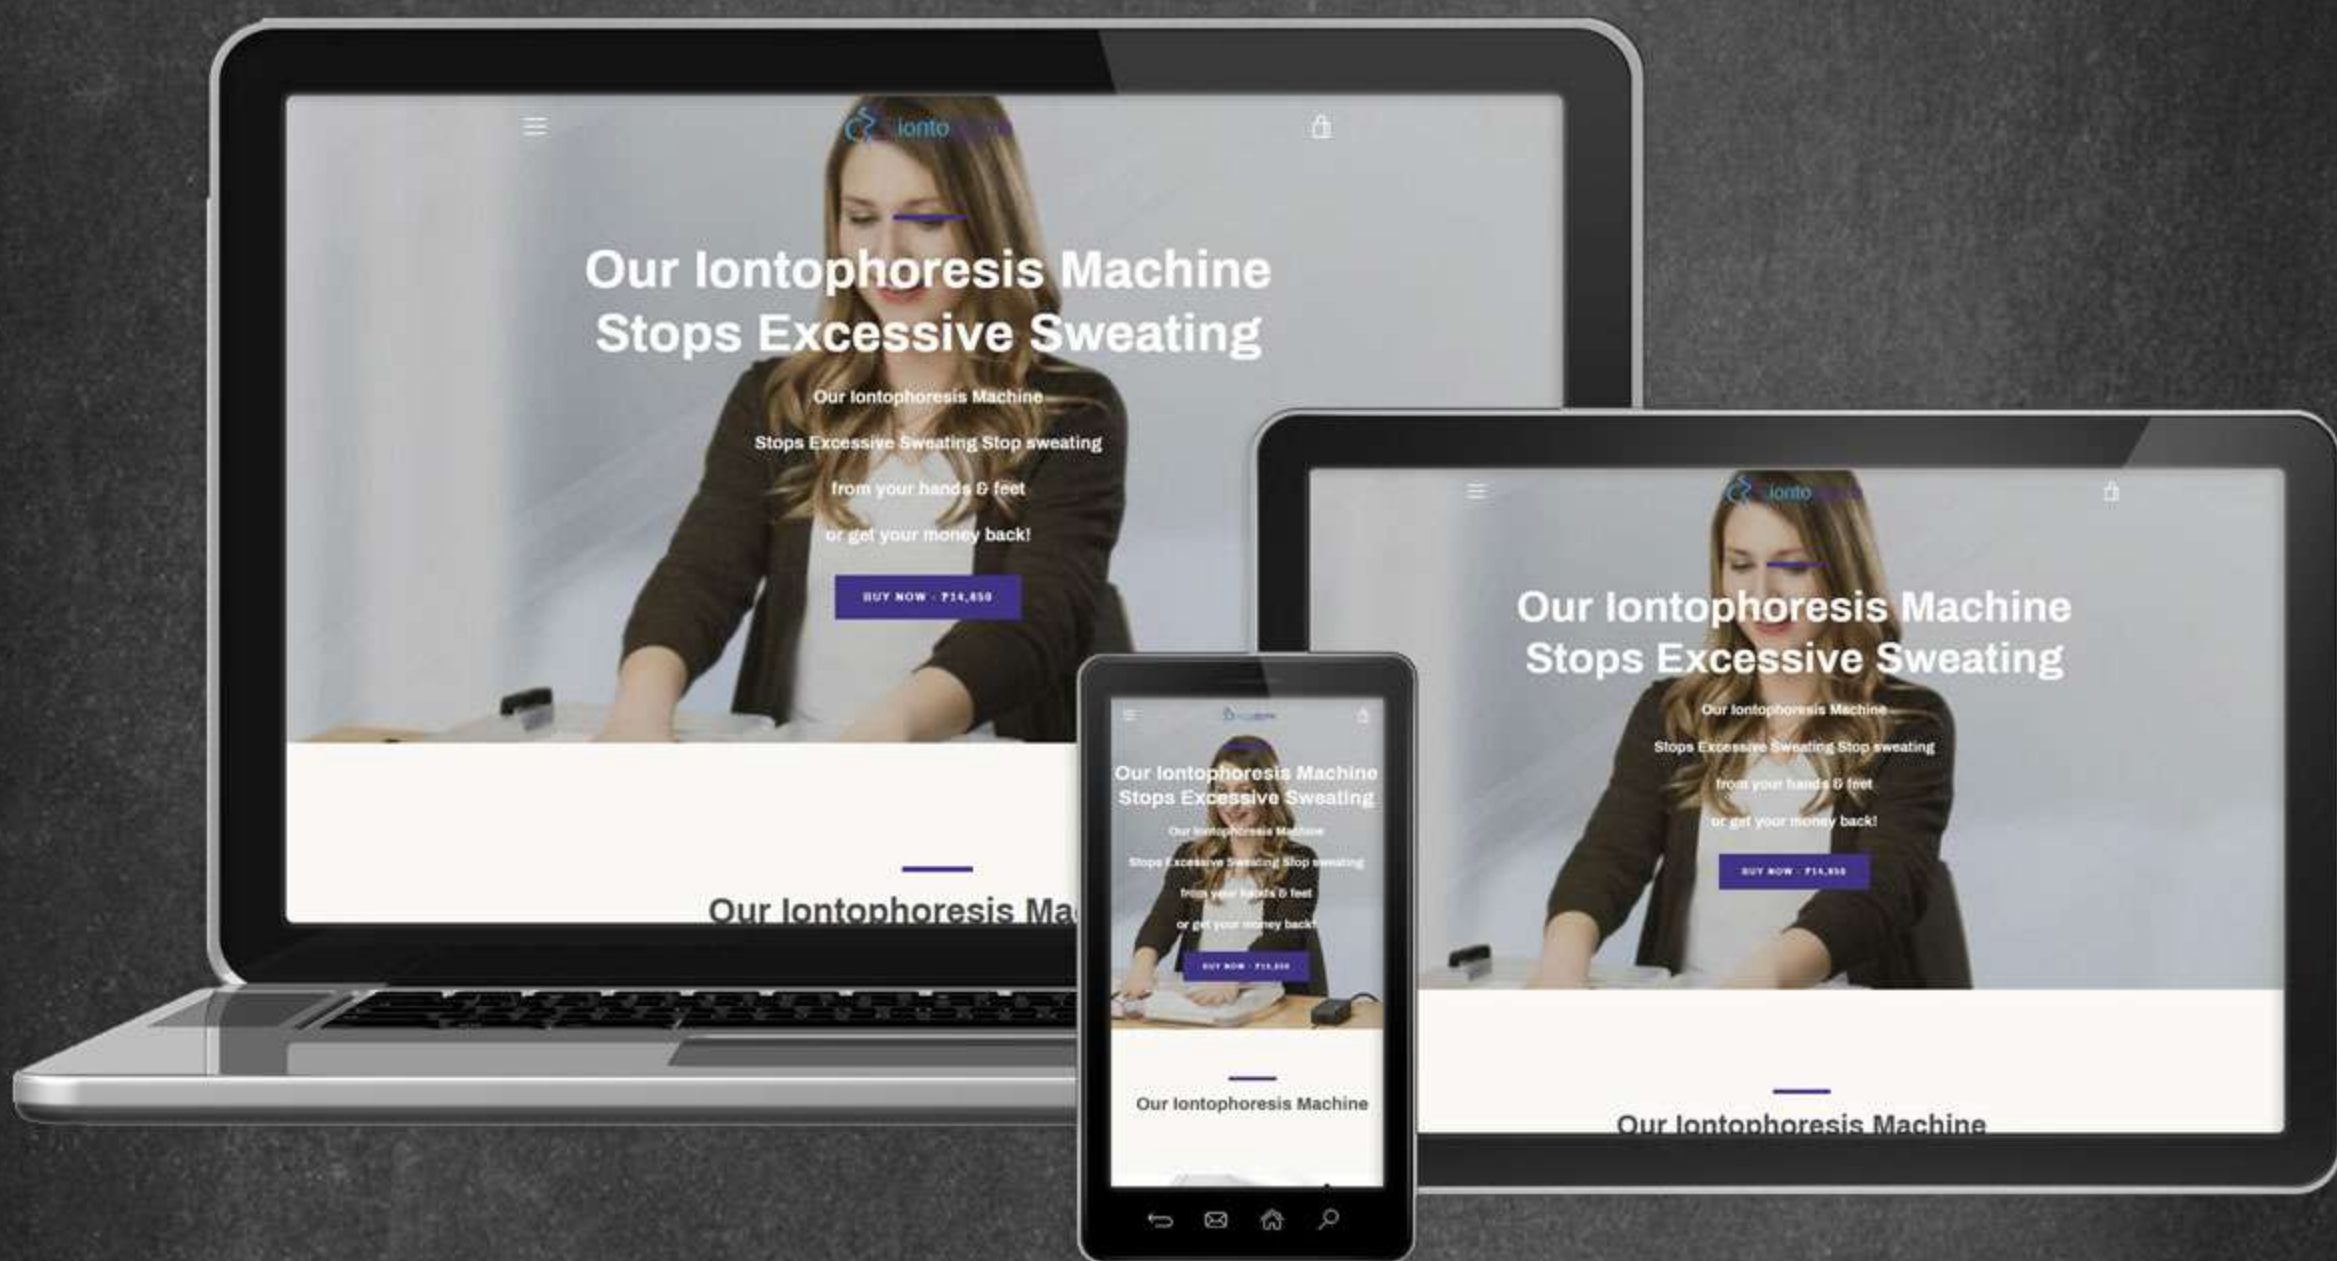

DEARMADRY
dermadry.ph

Dermadry is a home-use tap water iontophoresis machine. This technology works by directing a small current through the skin, effectively neutralizing the connection between the nerves and the sweat glands. In nearly all cases, this effectively treats excessive sweating!

IONTODERMAPH
iontodermaph.com

Iontoderma's mission is to provide an affordable iontophoresis machine to treat excessive sweating of palms and feet, so you can live a sweat-free life!
